

1. Implementation of new CIS Application Software in the High Court of Jharkhand.

The new CIS application software (LINUX, PHP Base, Postgres, MySql) was implemented in High Court in the month of June of 2012 after customization of the same by the technical team of CPC. Old data were migrated from Fox Base system to the new platform of CIS and running successfully through which following works are being done successfully:-

- i. Centralized Filling: -
 - (a.) Issuing Case Diary Number,
 - (b.) Online generation of Case Number,
 - (c.) Subject categorization,
 - (d.) Subject sub categorization,
 - (e.) Document filing
- ii. Cause list preparation: -
 - (a.) Case Proceedings,
 - (b.) Slip entry made by concerned Sections,
 - (c.) Cause list report generation,
 - (d.) Uploading of Cause list in website in the office of CPC,
- iii. Certified copies of orders / judgments have been made available through computer.

Presently, new High Court CIS has been prepared and demonstrated on 9th & 10th July, 2016 by the Hon'ble eCommittee, Supreme Court of India for all the Hon'ble High Courts whose structure of the said software has been forwarded through email by the Member (Judicial), eCommittee and at present, our technical team of programmers are studying the structure as per requirement of listing and the same is under testing.

2. Help Desks facility for the litigants and Advocates in the High Court

Three Help Desks have been functioning in the High Court premises in order to provide printed copies of order / judgments to the litigants and advocates for which link of CIS has been provided to help desks and the same are technically supported by the technical team of office of CPC.

3. Implementation of SMS services in the High Court of Jharkhand

The SMS services & online Display Board for providing information of running cases of the High Court has been functioning successfully.

Through, the said SMS service, we provide following information regarding cases in the mobiles through SMS to the Advocates, who provides their mobile number in the certified application form.

- (a) Dairy /Case Registration No.
- (b) Defective Case during Stamp Reporting
- (c) Sending Case No. after scrutiny
- (d) Case Proceeding Details
- (e) Certified copy order / judgment status
- (f) Cause list status

4. Implementation of Offline and Online Display Board on the website of High Court of Jharkhand.

The service of "Online Display Board" has been inaugurated by His Lordship Hon'ble the Chief Justice Mr. Virender Singh, in the White Hall of High Court of Jharkhand. Utilizing the said facility, the online information of running cases of the courts can be seen through the website of the High Court of Jharkhand. The Off Line Display Boards have been functioning in all the Court Rooms of the High Court & also in the premises of the Court. Software support to functioning of the same was programmed by the CPC team.

Weekly, daily and supplementary cause lists are also uploaded in the website for providing information to Advocates and litigants upgraded on daily basis.

7. Video Conferencing Trial Court Rooms in the District Courts of Ranchi, Bokaro, Jamshedpur and Dhanbad under the e-Courts Project.

As on date, we have eight e-Trial Courts functioning in the State basically in the District Courts of Ranchi, East Singhbhum Jamshedpur, Bokaro and Dhanbad. It has been planned to start more e-Trial Courts in other District Courts of the State in order to provide quick Justice for the citizen of the State. We have been facing the problems of connectivity to conduct VC trial, as the bandwidth provided is not sufficient to execute the online VC in view of achieving good quality Audio and Video of VC. The matter was referred to the Principal Secretary IT to the Government of Jharkhand for providing 8 MBPS dedicated leased line connectivity to all Courts and also Jails for conducting future VC trials under the eCourts Project.

8. New Drupal Website has been created for 22 Districts Courts of the State of Jharkhand under the e-Courts Project.

The websites for 22 District Courts of the State Jharkhand has been created in ecourts.gov.in. Drupal template under the e-Courts Project and the same are functional now. All information of the concerned judgeships is being uploaded & maintained by the concerned District Courts. All information of the Courts, Judicial Officers, Case status and Misc. links are also available in the said websites.

9. Data uploaded on National Judicial Data Grid of New Delhi under the e-Courts Project.

The Judicial Order(s) / Judgments(s) of all Judicial Officers of the State of Jharkhand are being uploaded on the National Judicial Data Grid (NJDG) on daily basis by the concerned Judicial Officers and the same are being monitored by E-Committee on

monthly basis. The undated cases of the concerned courts are also monitored through NJDG portal. The details of the Judicial Data of District Courts of the State of Jharkhand are available in the NJDG portal which was launched for general public.

10. Video Conferencing facility between Civil Courts and Jail.

Video Conferencing facility between all the Civil Courts including Sub divisional courts of the State and concerned Jails has been functioning throughout the State using JHARNET, State Wide Area Networks (SWAN). This facility has been provided by the (JAP IT) IT Department of the Jharkhand. The facility of multi point VC studio is available in the High Court of Jharkhand through which VC meeting are organized as required time to time. Utilizing the VC of High Court online trail has been done in presence of Hon'ble the Chief Justice of India, Hon'ble Supreme Court of India between Madhupur Court, Deoghar Jail and the High Court.

11. Lease Line and VPN over Broadband connection for District Courts of the State

Lease line and VPN over broadband connections are being provided to the various district courts of the State of Jharkhand utilizing which orders / judgments are being uploaded in the National Judicial Data Grid of Hon'ble Supreme Court at New Delhi under the e-Courts Project and SMS services are being carried out.
